

Give Hope for the Holidays

IT'S HARD TO BELIEVE, but the holidays are right around the corner! Our staff are busy preparing to ensure that our clients feel at home for the holidays, regardless of how precarious their housing or income situations might be right now.

Your support will provide Thanksgiving Meal Kits with all the fixings to prepare at home, gift cards to buy presents for the holidays, and hot meals with care kits for those who are living on the streets in December.

Some of our neighbors have no home for the holidays. Others have shelter but lack sufficient resources to make the season the slightest bit festive for their children. That's where Ritter Center can help. With your support, we can give the best holiday gift of all: **hope and help.**

Donate today to help us raise \$500,000 this holiday season to ensure families, seniors, and people who are experiencing homelessness have food, access to medical and mental health care, housing support services, and essentials needed to get through one of the toughest times of year.

3. Mail your donation in the enclosed envelope.

RESOLVE

Real People. Real Impact.

KEEPING A ROOF over your head and fresh food in your fridge is no small feat when living paycheck to paycheck. Here in Marin County, our neighbors often choose between paying the rent and buying groceries. And with inflation at a historic high, we are now seeing a marked increase in need as more and more hardworking families strain to make ends meet.

As many of you reading this know, Ritter Center is here for anyone in Marin who needs access to primary healthcare, housing support, and nutritious food. But did you know that we also run a range of seasonal programs that provide extra support during high times of need?

In this newsletter we provide info on several seasonal programs. Our Back-to-School Backpack Program has become a trusted source of school supplies for families. In addition, our holiday programs provide vital food, living essentials (e.g., backpacks, coats, sleeping bags), and gift cards for our families, veterans, seniors and other individuals experiencing homelessness during the more challenging colder months.

Our holiday programs are funded by donors and corporate sponsors through our **Hope for the Holidays** campaign, which launches Nov 1. (We hope you'll consider donating this year!)

We have some big news! In order for us to more fully meet the needs of our community, our plans to relocate Ritter Center were unanimously approved by the San Rafael Planning Commission!

Our current building and location is outdated, and the new location will allow for an additional 2,500 square feet and provide appropriately sized physical exam rooms and behavioral therapy spaces, meeting rooms, administrative offices, and a food pantry on one campus. Most importantly, this new venue will give our patients access to Ritter Center with the dignity, privacy, and respect they deserve.

This season has been bursting with activity, hope, and action. We are thankful to you all for supporting our work and our community members in need.

In unity,

Mark Shotwell
Executive Director

Going Back to School with Smiling Faces

OUR BACK-TO-SCHOOL BACKPACK campaign was a huge success! More than 111 donors raised over \$32,000, smashing our original goal of \$25,000. We were delighted to be able to give out 170 backpacks packed with school supplies and \$50 Target gift cards to families dealing with the skyrocketing costs of sending children back to school.

As reported in the Marin IJ feature article, Dee and Paul's four children, ages 4 to 14, came to pick out their favorite backpacks to start pre-K, second, fifth and tenth grade in style. This family has been relying on Ritter Center's backpack program for several years now, and they were grateful to receive a \$50 Target gift card for each child to help them buy the shoes and clothes they want to start the school year off with confidence.

To see the beaming smiles on these children's faces was an inspiring moment for our team and volunteers. Thank you!

Heartfelt gratitude is extended to **Ultragenyx** volunteers, who helped children pick out backpacks; **Juice Girl**, who provided delicious, refreshing smoothies to our young students; and **Camelbak** for giving a huge discount on water bottles.

Special thanks to **PJ O'Connell** and **Marin Homeless Aid** who sponsored Under the Stars at the \$10,000 Back-to-School level in memory of PJ's nephew, Greg Baker, who passed away earlier this year.

"Thank you to everyone who made it possible for my kids to be happy returning to school with new backpacks and supplies. This is a huge relief as we are parents going through difficult times."

—Lorenas, parent and Ritter Center client

Meet Our Newest Board Members

RITTER CENTER IS excited to announce the addition of two new members to our board: Rosalinda Camacho and Stephanie Plexico.

Rosalinda Camacho is the Health Hub Supervisor at Marin Community Clinic. Her ties to Ritter Center go back to one of the most vulnerable times in her life.

"We were living in Terra Linda and our rent went up too much," tells Rosalinda. "We were fortunate in that we didn't end up on the streets. We were able to disperse into different family members' homes."

When asked about the lasting impact of that time, Rosalinda said, "Honestly, it was that experience that molded my compassion and empathy. I am still emotional about it. I am still touched by every story I hear. It hits home."

"At some point in my youth, I was homeless and didn't have a place to call home."

—Rosalinda Camacho, Board Member

 **Read Rosalinda's full interview on our blog: RitterCenter.org/blog**

Meet Our Newest Board Members (cont...)

Stephanie Plexico moved to the Bay Area in 1997, and recognizes that there are many myths surrounding the issues relating to people experiencing homelessness.

Feeling strongly about promoting awareness, Stephanie said, "Sometimes the public doesn't recognize the intense challenges of making it day to day on a lower income or how someone who is working multiple jobs might struggle to put food on the table."

A pivotal moment came when Stephanie volunteered with her children for the Marin Rotating Emergency Shelters Team, a program that provides dinner and beds each night to local men experiencing homelessness during the winter months. "We sat down and shared a meal and heard about their lives, which made a lasting impact on all of us," she said.

"We can take the time to help each other out through obstacles," Stephanie concluded. "It might be uncomfortable at first, but if we are able to stay with it, we can sometimes begin to see things a little differently, and that change can have a significant impact on a life."

"No one should be deprived of health care in this country. I believe the same is true for support around mental health and access to food."

—Stephanie Plexico, Board Member

Building Trust on the Road

RITTER CENTER'S MEDICAL OUTREACH TEAM provides health care to underserved and unserved individuals throughout Marin County via our mobile medical van.

"It is important for us to get out and to make ourselves accessible," says Ritter Center Clinic Manager Rachelle Valenzuela, who oversees the Ritter Center street medicine program.

"Many places in the county, including West Marin, often get forgotten because they are so remote," explains Rachelle. "We can make progress on a number of fronts simultaneously: harm reduction, street medicine, Hep C, HIV testing, vaccines, and more. The fact that Hep C is curable is amazing. When we raise awareness, we change lives."

Recently, the team was at New Beginnings, a homeless shelter operated by Homeward Bound of Marin that includes a medical respite partnership with Ritter Center.

"We worked with one person in particular who had a lot of trauma," says Rachelle. "Ritter Center Medical Outreach Team provider Aisha Patterson made a connection with him. Then, when he came the other day to Ritter Center, he lit up when he saw Aisha."

"They continue to build that connection," she emphasized. "This is at the heart of our work. It is critical to be able to close the loop by engaging and building trust in the field in order to get a patient to come to the clinic because they know that they are going to see the same people."

RITTER CENTER is deeply honored by new and continued support received from community members, businesses, faith-based and community organizations, and foundations. We especially thank our many volunteers for their dedication to the community.

This list reflects gifts made during the 2021 calendar year, as well as Ritter Center's fiscal year (July 1, 2021–June 30, 2022). We received \$1,695,140 in 2,912 gifts from 1,624 donors. When the community comes together, great things happen.
