

RESOLVE

Real People. Real Impact.

WELCOME FROM OUR CEO

Dear Friends,

At Ritter Center, what moves me most is the deep sense of humanity that underpins everything we do. It's the personal stories and the real, heartfelt connections that remind me daily why our work is so vital.

I've had the privilege of knowing Sandi McMillion, former client, and current Ritter Center Board Member, for a while now, and her resilience is nothing short of remarkable. This year, she truly shone as a star at our "Under the Stars: Dare to Dream" event, where she shared her inspiring journey of turning hardship into hope. Watching her stand before a room full of supporters, having launched her very own food truck, filled me with immense pride and gratitude. It's your support that made her journey possible, and it's stories like hers that truly define our mission.

Another moment that stands out to me is the tender care provided by Karl Smith, our Whole Person Care Lead Case Manager. Karl's unwavering commitment to a client who was facing the end of his life alone is a testament to the compassion that drives our work. It's not just about providing medical care or housing; it's about being there in the moments that truly matter, offering dignity and kindness when it's needed the most.

While our events, such as the **Back-to-School Campaign** and the **SleepOut Challenge**, are vital in raising funds and awareness, **it's the personal stories and connections that leave the biggest impact on me.** We are here to ensure that every person we serve feels seen, heard, and valued.

Thank you for standing with us and for making this work possible. Together, we are building a community where compassion and care are at the heart of everything we do.

In solidarity,

Mark Shotwell

Stellar Start: You Made Back-to-School Spectacular

On August 9, something extraordinary happened, and it's all because of you: Your generous support of \$30,000 turned our Back-to-School Campaign into a day of joy and new beginnings for over 200 children.

The courtyard buzzed with excitement as children found colorful backpacks, fresh notebooks, and every supply needed to start the school year strong. Each smile was a direct result of your kindness.

Maria found her first brand-new backpack and couldn't stop grinning. Thanks to you, she's starting the school year with confidence.

This day wouldn't have been possible without our amazing sponsors: **Book Exchange of Marin, BioMarin, Life Science Cares Bay Area, Marin Sanitary Services, Pasha, and Seagate Properties.** Your support ensures our community's children are ready for the new school year.

Thank you for making such a significant difference. You are building brighter futures, one child at a time.

Under the Stars: A Dazzling Triumph Thanks to You

Honorees:

- Ira Potovsky, Outstanding Volunteer

Ritter Center's **Under the Stars: Dare to Dream** fundraiser, held on May 16 at the Elks Lodge, was a dazzling celebration of community spirit and generosity. Over 200 guests came together to support our healthcare, housing, and food programs aimed at preventing and resolving homelessness in Marin. Thanks to the incredible support from our community and a generous \$25,000 matching gift challenge, the event raised nearly **\$170,000!**

The evening sparkled with inspirational speeches from **San Rafael Mayor, Kate Colin** and **ABC7's Cornell Barnard**, alongside gourmet delights from **Big Jim's BBQ** and the smooth sounds of the **S&S Jazz Band**.

A highlight was the emotional awards ceremony, where we honored remarkable individuals and organizations for their contributions.

Sandi McMillion's heartfelt story of overcoming adversity and launching a food truck captivated the audience, earning a standing ovation.

We extend our deepest gratitude to everyone who contributed, making this event a beacon of hope and a testament to our shared commitment to ending homelessness in Marin.

Sleep Out to Stamp Out Homelessness

Ritter Center's **SleepOut Challenge** is more than just an event; It's a call to action! You can participate any time of year to help us raise \$100,000 using our online fundraising tools. By spending one night outside, you'll gain a powerful understanding of the hardships faced by those who are homeless in Marin County every day.

Last year, Sarah Thompson took part in the SleepOut Challenge, and the experience left a lasting impact on her. **She recalls, "It was cold, uncomfortable, and difficult to sleep but that one night made me more determined than ever to support Ritter Center's mission. It opened my eyes to the harsh realities our homeless neighbors face."**

This challenge goes beyond raising awareness—it's about making a tangible difference. The funds you raise will directly support programs that provide housing, healthcare, and hope to those in need. Your participation can transform lives and help end homelessness in our community.

Sleep Out and be part of the solution to end homelessness! Register your team or sign up solo at RitterCenterSleepout.org

Beyond Care: Life-Changing Bonds at Ritter Center

How do we truly measure the impact of care? For Karl Smith, Whole Person Care Lead Case Manager, it's about the deep, meaningful connections formed with those we serve.

"We've become their family," Karl shares, reflecting on the close bonds nurtured within our Whole Person Care team.

This approach goes beyond addressing the complex needs of Marin County's most vulnerable residents through coordinated health and social services; it's about fostering relationships that resonate on a deeply personal level.

Karl recalls a poignant story of a chronically homeless client who, after years of uncertainty, finally found stability and a home with our support. Despite the challenges of battling substance abuse, this client developed a profound connection with Karl.

When the client was moved to palliative care, isolated and without family, Karl made it a priority to be there. "I couldn't bear the thought of him dying alone," Karl remembers. Upon entering the hospital room, the client reached out for Karl's hand, finding comfort in his presence.

"Helping someone face their final moments with dignity and care is what motivates me each day," Karl reflects. At Ritter Center, we don't just offer services—we build enduring connections that bring warmth and hope when they're needed most.

"I couldn't bear the thought of him dying alone."
—Karl Smith, Whole Person Care Team
